Dear Parents/Guardians,

2016-2018 SSPA System: Last round of Cross-net Allocation Application

School Places Allocation Section of the Education Bureau informed our school that if Primary 6 students moved or are going to move home, they will be accepted to apply for the Cross-net Allocation on Secondary School Places Allocation (SSPA) System. If change of school net is necessary, parents may submit an application for cross-net allocation together with relevant proof documents to EDB through the primary school their child is attending by 27 February, 2018 (Tue).

Yours faithfully,
Mr. So Wai Ming
Principal
