Second Round Air-conditioning Fee

The First Round Air-conditioning Fee will be collected under the authorization of EDB.
The details are as follows:

1. The air-conditioning fee of \$130 will be collected in October and April respectively.
2. The Government announced that the indoor temperatures should be maintained at 25.5 degree Celsius in summer months. So that the air-conditioning fee can be reduced to **\$100**.
The fee will be deducted from 'Student smart card payment account'.

Remarks:

- * If the fee is under the items of the Social Security Assistance Scheme, it can be claimed by the receipt.
- * If there is a financial problem, you may apply for remission.

Yours faithfully,
Mr. So Wai Ming
Principal
