

Dear Parents/Guardians,

29<sup>th</sup> September, 2020

**School-Based After-School Learning and Support Programme &  
Student Activities Support Grant**

To support needy students to participate in after-school activities with a view to broadening their learning experience outside the classroom and facilitating their all-round development, the EDB and Hong Kong Jockey Club have implemented School-Based After-School Learning and Support Programme and Student Activities Support Grant. We use the former to organize after-school learning activities such as dancing, musical instrument classes, gymnastics classes, swimming classes and exchange programmes. And we utilize the latter to support life-wide learning such as subsidizing the entrance fees and travelling expenses for school events. The following students are eligible for the grant:

1. Receiving "Comprehensive Social Security Assistance" (CSSA), or
2. Receiving full grant under 'School Textbook Assistance Scheme'.
3. Parents may apply if students meet the school's established "financially needy" criteria. The school has the right to give 25% of the quota to support the needy students.

Please sign the reply-slip and provide the document.

1. Comprehensive Social Security Assistance" (CSSA) :  
Please provide copies of the documents. For privacy reasons, please put the copies into an envelope and hand in to the class teacher. Information is used for the purpose of processing applications only.
2. Full grant under School Textbook Assistance Scheme :  
The information will be provided by the "Student Financial Assistance Agency ". (No documents are needed.)

To extend the benefits to more students who are not in receipt of CSSA or full grant of Student Textbook Assistance Scheme but identified as needy students who need greater care, we have the right to give 25% of the quota to support them. If you want to apply for the assistance, please choose option 3 in the reply slip.

Yours faithfully,  
Mr. Chan Chun Wah  
Principal
