Healthy Kids II- Online Talk ‘Shake our hands! Be good friends!’ 2019-21

In order to enhance P.1-P.2 students’ understanding of the positive and negative effects of peer pressure and to teach them to say ‘NO’ to drugs, we have decided to join the online workshop ‘Shake Our Hands! Be Good Friends!’ which is organized by the Community Drug Advisory Council. We hope that students will develop a healthy lifestyle, learn how to make right decisions and acquire anti-drug knowledge. Students can sign in to Microsoft Teams to attend the online talk from home. Parents are also welcome.

The link for the online talk will be uploaded to Microsoft Teams (Classroom General Channel) on 1st April, 2021 (Thursday) before 9:50 a.m. Students can click on the link to attend the online talk.

Due to copyright protection, photograph taking or recording of the talk is strictly prohibited.

For enquiries, please contact Miss Lam Ting Ting at 2404 5333.

Yours faithfully,
Mr. Chan Chun Wah
Principal
