Matters Concerning Lego City Online Interactive Classroom Activity

In order to cultivate students' creativity and imagination, we have decided to participate in Lego City Online Interactive Classroom Activity. The aim is to help students develop a better understanding of the city structure. Participants will be given an opportunity to design their own Lego City. Due to the limited quota, P.3 and P.4 students who are interested in the activity may apply. Details are as follows:

Name of the Activity	2021 LEGO City Online Interactive Classroom Activity
Organizer	Silicon Workshop Limited
Date	16 th April, 2021 (Friday)
Time	1 st session : 3:00 p.m. - 3:45 p.m. (Only for P.3 students) 2 nd session : 3:45 p.m. - 4:30 p.m. (Only for P.4 students)
Content	Tutors from Lego will explain the city structure and activities that occur in different cities. They will also guide students to solve problems in Lego City and show them how to design their own city.
Teaching Mode	Zoom will be used to conduct the classroom activity. The link and the password will be sent to participants later. Students should use computers or tablets for the activity.
Fee	Free of Charge
Quota	A maximum of 20 students in each session
Remarks	1. Participants are required to turn on the camera during the activity so that tutors can observe their learning progress. 2. Places will be allocated by lot drawing if applications exceed the quota. Successful applicants will be notified individually before 15 th April. No notice will be given to unsuccessful applicants.
