

Dear Parents/Guardians,

‘National Flag and National Anthem’ Programme

In order to help students develop a better understanding of the national flag and anthem, and foster a sense of belonging to their country, Endeavour Education Centre Limited and Hong Kong Army Cadets Association jointly organised ‘National Flag and National Anthem’ Programme. There will be a 3-day training camp led by coaches. Participants will learn the proper procedure for the raising of the national flag and gain some basic knowledge about the national anthem. A flag-raising competition will be held after the training camp. Participants will have an opportunity to win an award for our school.

Your child is selected to join the flag-raising team in the next academic year and he/ she will learn about the national anthem. Details of the training are as follows:
