Online Talk ‘Effective Parenting Skills’

We understand that parents will come across difficulties when raising their children. The older generation, very often, resorted to corporal punishment. However is it still an effective way to discipline child nowadays? Does the law allow any form of physical punishment? In order to equip parents with better parenting skills, we have invited a social worker from Against Child Abuse (ACA) to conduct an **online talk** about how to strengthen the relationship between parents and children. Details are as follows:

Date:	6 th July, 2021 (Tuesday)
Time:	10:00 - 11:30 a.m.
Target Audience:	All parents
Mode:	Zoom (Online talk)
Speaker:	Social worker from ACA
Remarks:	The talk will be conducted online (Zoom). Participants will receive the link for the talk later.

Parents who are interested please submit the completed reply slip to your class teacher on or before 30th June, 2021 (Wednesday). For enquiries, please contact Miss Chan (SGP) at 2404 5333.
