

Dear Parents/Guardians,

16<sup>th</sup> November, 2021

**“Jockey Club Theatre-in-Education Project on Legendary Stories of Chinese Poets Photo-taking and Recording”**

The Alice Theatre Laboratory has implemented many excellent "Theatre in Education" projects in local primary and secondary schools for more than ten years. Supported by the Hong Kong Arts Development Council, the Quality Education Fund and the Hong Kong Jockey Club Charities Trust, the theatre has successfully implemented the British "Educational Theatre" model into the ecology of local school education and has achieved remarkable results.

In 2021-2022, our school participated in the "Jockey Club Theatre-in-Education Project on Legendary Stories of Chinese Poets", donated by the Hong Kong Jockey Club Charity Trust Fund and planned and implemented by the Alice Theatre Laboratory. The educational theatre program uses Chinese poetry as the drama teaching text to improve students' writing skills, appreciative ability and cultivate moral sentiment.

During the program, the Alice Theatre Laboratory will conduct filming and video recording, to record activity progress for the theatre team's research team and participating schools to evaluate the effectiveness of the program. The theatre company will select some of the activity photos, highlights, student works, etc., for the purpose of publishing literature for publicity and promotion, for other people to better understand the ideas and achievements of educational theatre.

The Alice Theatre Laboratory has sent a letter to inquire about parents' wishes and we hope that parents would agree with the portraits and works of their children appearing in the above-mentioned educational theatre activities and promotion. Parents please sign the reply slip and return it to the teacher in charge at school. If parents do not reply before **19<sup>th</sup> November, 2021**, they would automatically agree with the portraits and works of their children appearing in the above-mentioned educational theatre activities and promotion.

If parents would like to know about the educational theatre project of the Alice Theatre Laboratory in local primary and secondary schools, they can visit the "Education Theatre Website and Channel" of the theatre company: [www.jc-atl-tie.com](http://www.jc-atl-tie.com) or Facebook: Alice Theatre Laboratory "Drama Education/Educational Theatre" webpage. For inquiries, please contact the Alice Theatre Laboratory at 2784 7938.

Yours faithfully,  
Mr. Chan Chun Wah  
Principal
