

Dear Parents/Guardians,

14th December, 2021

Psychologist On-school Counselling Service-Online TEAMS Parents Workshop

The school makes use of a learning support grant to hire clinical psychologists to provide on-site counselling services to assist students with special educational needs, and provide early identification, intervention and adjustment arrangements; we also review the progress of students with the school's student support team, to plan, develop and implement school counselling services that are in line with the school's situation mainly through 3 areas in prevention, treatment, and improvement with the use of the school-wide participation model.

In terms of parents, the school has conducted case meetings with individual parents in the afternoons from September to December, for parents to understand the progress and situation of clinical psychologist's on-school counselling services for students. The school also hope to provide training for parents through parents educational workshops of psychologists, to promote cooperation between parents and the school and support students with special learning needs. The content details are as follows:

Time : 2:30 p.m.-3:30 p.m. / 3:45 p.m.- 4:45 p.m.

Speaker: Clinical psychologist Dr. Pang Hok Hoi
