Dear Parents/Guardians,   16th December, 2021

Regarding the Participation of "Koobits Mathematics Competition 2022"

The school is committed to enhancing students' interest in mathematics through mathematical activities and competitions, to enhance students' thinking, problem-solving and logical reasoning abilities, and encourage students to make good use of e-learning resources for self-learning. Our school encourages students to participate in the "KooBits Mathematics Competition 2022" organized by the KooBits Mathematics Platform. Students who intend to participate can register through the school. The competition lasts for 1 month. Students interested in participating must log in to the KooBits platform every day to complete a series of math learning activities in order to accumulate points.

Application reminders:

Competition Date:	24th January to 23rd February, 2022 (last for 1 month)
Competition Format:	Online individual competition. During the competition, the ranking is based on the "challenge points" earned by individuals, with Champion, Second, Third, and Merit awards. (Login information will be notified later.)
Competition points system:	Daily Challenge 10 daily exercises: Log in to the platform to complete 10 selected maths questions every day. Elite Battle: Challenge other students up to 3 times a day. Sunday Challenge: Special math challenges and exercises every Sunday.
Competition fee:	Free of charge in preliminaries

If you allow your children to participate in the above activities, please sign and return the reply slip on or before Tuesday, 21st December, 2021.

Yours faithfully,
Mr. Chan Chun Wah
Principal
