

Dear Parents/Guardians,

16<sup>th</sup> December, 2021

### **English Day-Christmas Card Spreading Love Activity**

17<sup>th</sup> December is the school's English day, the "Christmas Card Spreading Love" activity will be held on that day. Teachers will teach students how to write Christmas cards in class and bring them to mail the Christmas cards to the mailbox near Ocean Walk. We hope students can learn English and express their love to their family and friends through sending Christmas cards. Parents can help prepare a mailing address (local) for students to express their love to relatives and friends. For inquires, feel free to contact the class teacher.

Yours faithfully,  
Mr. Chan Chun Wah  
Principal
