

Dear Parents/Guardians,

9th February, 2022

“Cancellation of Returning School for Homework Pickup”

In view of the recent severe epidemic situation, for the health of parents and students, the school will make the following arrangements:

1. Cancellation of arrangements for returning to school for homework pickup:

The original arrangements for parents to return to school in groups to hand in holiday homework and pick up second semester assignments on 16/2 (Wednesday) and 17/2 (Thursday) will be cancelled. Our school will closely monitor the latest development of the epidemic and arrange for parents to pick up second semester materials when the epidemic stabilizes.

2. Homework policies during online classes:

Subject teachers will assign the day’s homework during lessons and upload books and worksheets to the Teams platform for students to download them themselves and upload to the Teams platform after completion for correction by subject teachers.

The school will continue to contact parents through the e-School school platform, school website, and sunshine phone calls. Parents please pay attention to the latest announcements on the school website. If parents have any questions about the above arrangements, feel free to contact 2404 5333 for enquiries.

Yours faithfully,
Mr. Chan Chun Wah
Principal
