

Dear Parents/Guardians,

13th April, 2022

Arrangements for Resumption of Face-to-face Classes After Easter Holiday

The Education Bureau announced earlier that all schools in Hong Kong may resume classes after the Easter Holiday. Our school's Easter Holiday was originally scheduled until 24th April, 2022. As such, the school will **resume classes on Monday, 25th April, 2022.** For relevant details about the resumption of face-to-face classes, parents please pay attention to later e-School circulars. Also, class teachers will notify parents of things to note about the resumption of classes through sunshine calls. The school will closely monitor the development of the epidemic as well as the latest announcements of the Education Bureau, and inform parents in time of the latest arrangements of the resumption of classes. Thank you to all parents for your cooperation.

Yours faithfully,
Mr. Chan Chun Wah
Principal
