

Dear Parents/Guardians,

22nd April, 2022

Cross-Curriculum Learning: Shine Bright on a New Day

After the special holiday, P.4 to P.6 and P.1 to P.3 students have separately returned to the campus for learning on 25th April and 3rd May, 2022. For students to better adapt to the Learning Lifestyle and express their nervousness in the long holiday during the epidemic, the school will hold cross-curriculum learning during the first week of face-to-face lessons. The theme is “Shine Bright on a New Day”. We hope that under the leadership of teachers, we can provide positive energy for students and to create a space for them to open their hearts, share their stories, know about the campus and start fresh. The themes of each subject are as follows:

Yours faithfully,
Mr. Chan Chun Wah
Principal
