Dear Parents/Guardians,

28th July, 2022

2019 Coronavirus Student Case Confirmation Circular

The school was informed this morning that a Primary 2 student has tested positive for the COVID 19. The school has improved its cleaning and disinfection efforts to ensure that a hygienic and healthy school environment is maintained at all times for teachers and students.

The student diagnosed will follow the guidelines to report to the Department of Health and will not return to school until he/she has received two consecutive negative rapid antigen test results on the sixth and seventh days after the confirmed diagnosis.

According to the guidelines of the Education Bureau, all teachers and students are required to take the rapid antigen test every day before coming to school, the tests should be conducted every morning and only if they have the negative results can they return to school. Parents please continue to assist your child in completing the rapid antigen test and recording their temperature, and fill in and sign the “Test Declaration and Temperature Record Table” for teachers to check at school.

Parents please keep an eye on students’ physical condition and seek medical attention as soon as possible if he/she is feeling unwell. If parents have any questions regarding the above arrangements, please call 2404 5333 for enquires.

Yours faithfully,
Mr. Chan Chun Wah
Principal
