

Dear Parents/Guardians,

12<sup>th</sup> October, 2022

### Arrangements for “One Person, One Flower Scheme”

In order to cultivate students' interest in planting, enhance students' sense of responsibility and encourage students to care about nature, the school will continue to respond to the Greening Hong Kong Activities by the Leisure and Cultural Services Department and participate in the Jockey Club "One Person, One Flower" scheme. Each student will be given a free flower seedling to take home to plant. During the planting period, students need to fill in the planting booklet according to their plant's growth. To facilitate this activity, our school can purchase flower pots and soil for students. Details of the activity and ordering arrangements are as follows:

<b>Plant Name:</b>	Begonia cucullata
<b>Date of distribution of flower seedling:</b>	November 2022 (The exact date will be notified at a later day by the flower seedling suppliers)
<b>Date of collecting flower photos on school website:</b>	March 2023 (please pay attention to the teacher's notice)
<b>Order materials and costs: (free to participate)</b>	Flower pot (about 13 cm in diameter) and soil HK\$15 (the fee will be deducted from the "Student Smart Card Payment Account")
<b>Flower seedlings arrangements for Cross-border students:</b>	As cross-border students remain unable to return to school, they do not need to order flower pots and cultivatable soil. The school will plant their flower seedlings in the school's flower garden.

Parents please return the completed reply slip to the class teacher on or before 17<sup>th</sup> October, 2022. For enquiries, please contact Miss. Yu Mei Mei at 2404 5333.

Yours faithfully,
