

Dear Parents/Guardians,

9th December, 2022

Establishment of parent account of SSPA e-Platform 2022-2023

In line with the Smart Government strategy, the EDB will implement digitalization of S1 admissions starting from 2023. Parents who have registered as users and have bound their account with “I am Smart+,” can log in to the “Secondary School Places Allocation (SSPA) e-Platform” to submit the admission application and check the admission result.

The “Discretionary Places” (DP) stage of Secondary School Place Allocation (SSPA) for 2022/2023 will commence on 3rd January, 2023. Parents can log in to the “Secondary School Places Allocation (SSPA) e-Platform” from 6th December, 2022. Below are the details for creating the account.

Student Name:

Student ID:

Activity Code:

validity of activation code:

Secondary School Places
Allocation (SSPA) e-Platform

To help parents understand the application procedure of Secondary School Places Allocation (SSPA), the Education Bureau website provides the Guideline for Application for Secondary One Discretionary Places. Leaflets and videos are also available to download as references. Parents can log in to the Education Bureau website (<https://www.edb.gov.hk>) or scan the QR code below for details: Handbook for Application for Secondary One Discretionary Places.

Education Bureau – Home > Education System and Policy > Primary and Secondary Education > School Places Allocation Systems > Secondary School Places Allocation (SSPA) System > Handbook for Application for Secondary One Discretionary Places for Secondary School Places Allocation System 2021/2023

Yours faithfully,
Mr. Chan Chun Wah
Principal
