

Dear Parents/Guardians,

9th December, 2022

“Smart Use of Filtering Software” Parents Workshop and Online Seminar

Our school heartily thanks all the parents for actively participating in the parents' workshop and online seminar - "Smart Use of Filtering Software. "

We are now inviting parents who attended the seminar to fill in two questionnaires. Parents who attended the seminar and fill out the questionnaires will receive a copy of the content filtering software, which will be distributed by the school later.
