

Dear Parents/Guardians,

11th September, 2023

“Student Environmental Protection Ambassador Recruitment”

To cultivate a sense of environmental responsibility among students, enhance their leadership abilities, and encourage them to take proactive actions to improve the environment, we are now recruiting students from Primary 2 to 6 to become Student Environmental Ambassadors for the 2023-2024 academic year. Students elected as Environmental Ambassadors will not only assist in implementing environmental conservation initiatives within the school but will also have the opportunity to participate in various community environmental services organised by the Environmental Protection Department, the Environment and Ecology Bureau, and the Environmental Campaign Committee.

Please confirm whether your child is allowed to participate in the above-mentioned activity by signing and returning this reply slip. If you have any inquiries, please feel free to contact Teacher Lam Kin Fai at 2404 5333.

Yours faithfully,
Mr. Chan Chun Wah
Principal
