

Dear Parents,

Regarding the “Panoramic Health Care Scheme”

The past few years of the pandemic have brought unprecedented challenges to society. As students strive to return to normal learning and social life, they still need time to adapt to various changes. Especially with upcoming exams and assessments, the pressures faced by students should not be overlooked.

To strengthen students' adaptability and resilience, and to actively face the challenges of personal growth, our school will be organizing the "Panoramic Health Care Scheme." We hope that parents and the school can work together to create a nurturing environment for students to grow in.

There will be more activities under the "Panoramic Health Care Scheme" in the future, and we look forward to the participation of parents in the joint effort to promote the physical, mental, and emotional well-being of our students. Yours faithfully,
