有關【派發 15 公升的指定垃圾袋】事宜

為了讓學生及家長更瞭解於本年 8 月 1 日實施的都市固體廢物收費（垃圾收費）計劃，環境保護署會向全港小學生每人派發一個 15 公升的指定垃圾袋，讓有關垃圾收費的資訊更有效地帶進每個家庭。本校早前已收到垃圾袋，並會安排派發給學生。如家長想知道更多都市固體廢物收費（垃圾收費）計劃的內容，可查閱以下由環境保護署製作提供的宣傳資料。

Dear Parents/Guardians,

“Regarding the Distribution of Designated 15-Liter Garbage Bags”

To help students and parents better understand the Municipal Solid Waste Charging Scheme (Garbage Fee) implemented on 1st August 2024, the Environmental Protection Department will distribute a 15-liter designated garbage bag to each primary school student across Hong Kong. This initiative aims to effectively bring information about the garbage charging into every household. Our school has already received the garbage bags and will arrange for their distribution to students. Parents who wish to learn more about the Municipal Solid Waste Charging Scheme can refer to the promotional materials provided by the Environmental Protection Department below.
