Dear Parents/Guardians,

PTA23-001E

PTA Membership Fee Collection

The Parent-Teacher Association of Lung Kong World Federation School Lau Tak Yung Memorial Primary School (referred to as 'PTA') was established in November 1999. As one of the purposes of our association is to provide activities for parents and students, so we need some funds to organise and hold the activities. Each family needs only one parent to become a member, even if there are multiple children studying in our school, only one membership fee required to be paid each year. The membership fee will be deducted from the smart card of the eldest student. And the membership fee for this academic year is HK\$10.

The PTA belongs to every parent and teacher, and whether it can flourish and make contributions to the school and students depends on the support of all parents. We would like to express our sincere gratitude for the continuous support of all parents, who actively participated in various activities and provided valuable advice.

Wishing everyone a joyful life!

Yours faithfully,
Mr. So Kin Kei
Chairperson
