- 可自行用 A4 白紙或油墨紙複印。

Love turns to the brightest side
of things, and its face is ever
directed towards happiness. It sees 'the glory
in the grass, the sunshine on the flower.' It
encourages happy thoughts, and lives in an
atmosphere of cheerfulness. It costs nothing,
and yet is invaluable; for it blesses its
possessor, and grows up in abundant happiness in
the bosom of others.

Samuel Smiles
