

Dear Parents/Guardians,

6th September, 2021

Arrangements for “Promotional Placement Exemption from Reporting Part of Subject Test Paper Scores”

After taking the learning and ability assessment by an educational psychologist. Your child was assessed as a student with special educational needs-"Special Learning Disabilities (Dyslexia)". The school has been providing appropriate supportive measures for students with special educational needs to enhance their motivation in learning. Your child has been promoted to Primary 5, and the submission process for the allocation of secondary school placement will begin. The Education Bureau now accepts exemption applications from parents of students with special educational needs from reporting the scores of partial subjects in the school assessment of the second semester of Primary 5 and the first and second semesters of Primary 6. (Only limited to two papers: Chinese Language-Dictation Sub-paper, English Language-Dictation Sub-paper) Parents who wish to apply for exemption from reporting scores of partial subjects, please sign and submit the following reply slip to our school.

Yours faithfully,
Mr. Chan Chun Wah
Principal
