

A Letter to Santa Claus

Dear Santa Claus,

My name is Mimi. I live in Hong Kong. I would like to know what you do at Christmas. Therefore, I write this letter to you.

I buy gifts to my family and friends. I go out to see the Christmas lights. I join Christmas parties.

What do you do at Christmas? How many gifts do you prepare for the kids? Will you eat turkey? Do you know children all over the world hang Christmas stocking and wait for you to come?

I am looking forward to hearing your reply.

Love,
Mimi
